ANNOUNCEMENT

This announcement describes the status of the application for land use right certificates and property title certificates in respect of the Group's interests in properties located in Guangdong Province.

The board of directors (the "Board") of China Mobile (Hong Kong) Limited (the "Company", together with its subsidiaries, the "Group") announces that the Group has not, during November this year, obtained any land use right certificates or property title certificates in respect of the remaining 13 properties located in Guangdong Province in which the Group has interests and for which such certificates have not been granted. Therefore, the Group is still in the process of applying for such certificates for these properties. The Board also confirms that the use of and the conduct of various activities at the 13 properties in Guangdong Province referred to above are not affected by the fact that the Group has not yet obtained the relevant land use right certificates and property title certificates. Further announcements will be made by the Company on a monthly basis to report on the progress of application for such certificates.
